

# 2012 Tournament Rates

We cater to all your tournament/outing needs at Fairchild Wheeler GC. With two 18-Hole championship golf courses, we can accommodate groups of all sizes Monday through Friday and at whatever time is convenient for you to tee off. For shotgun outings, we offer two different options: **Full Shotgun** (typically groups of 72+) and **Modified Shotgun** (typically groups of 36-72). A Full Shotgun gives you exclusive access to the course during your tournament. A Modified Shotgun gives you access to the golf course with non tournament groups in front and behind your tournament. Your event also includes: Staging of Golf Carts, Customized Cart Signs, Scorecards, Rules Sheet, Scoreboard and assistance with Scoring. The Golf Professional will also send your group out and provide any special contest (Closest to Pin, Long Drive etc..) We will also assist you in any way we can, to ensure your tournament/outing runs as smoothly as possible.
